The 2025 6th Madama Butterfly International Competition in Nagasaki Commemorative Concert for Award Recipients

The Opera “Madama Butterfly” is not only one of Puccini's most famous operas, but also one of the most widely performed pieces in the world. The 6th Madama Butterfly International Competition in Nagasaki will be held in the city known as the setting for this heartrending story. This competition, which has been held since 2004, has introduced many outstanding young performers to the world. In September 2025, we will again present the voices of three newly emerging and promising singers to the public on the day following the final selection. This year's competition will be held in a special venue associated with Madama Butterfly in Nagasaki's beautiful Glover Garden.
